Product Description

Husqvarna 3120 XP® Chainsaw (Power Head only)

Husqvarna’s largest chainsaw is one of the most powerful in the world. The primary applications for the 3120 XP® are extreme logging, portable saw mills and stump work. This saw is designed to pull the chain on our longest bars. Like all Husqvarna chainsaws, the 3120 XP® has a superior power-to-weight ratio. Thanks to Effortless Starting®, LowVib™ and other premium features, this heavy-duty chainsaw is surprisingly easy to start and operate. Note: Saw power head only, guide bars sold separately. Maximum recommended bar length 42 in.

Features -

- Adjustable chain oil pump
- Quick-release air filter
- Magnesium crankcase
- Three-piece crankshaft
- LowVib®
- Smart Start®
- Felling marks
- Inertia activated chain brake
