Product Description

Husqvarna 122HD60 Hedge Trimmer

This double-sided hedge trimmer is a lightweight, easy-to-use model that’s perfect for the homeowner with a job to do. Husqvarna’s 122HD60 features Smart Start® for speedier start-ups, plus a low level of engine noise so you won’t disturb your neighbors. Beyond the unit’s lighter weight, its built-in vibration dampeners absorb excess vibrations, and an adjustable handle reduces stress on your arms and hands. It’s the streamlined tool you need to cut perfect hedges every time.

Features -
