Product Description

Generac GP 3300I Portable Generator

Quieter. More powerful. Easy to start. The new iQ3500 inverter generator lets you bring power wherever life takes you. From tailgating parties to camping trips and beyond. The durable, yet lightweight design is specifically engineered for easy portability. The intuitive PowerDial™ integrates the start, run and stop functions into one simple-to-use dial, along with Electric Start (battery included) capability, all conveniently located for quicker startup. Select from two engine speeds, depending on your need, to significantly reduce noise and fuel consumption, or to maximize power response.

GP 3300I Portable Generator Features -

PowerRush™ Advanced Technology

Delivers over 50% more starting capacity allowing you to do more with less*.

Quiet Inverter Power

Reduces sound emissions and provides optimal performance.

True Power™ Technology

Provides clean, stable power ideal for sensitive electronics, tools, and appliances.

Easy to Carry

Compact & lightweight design with a built-in handle makes transportation easy.

PowerDial™

Choke, Run, Off: three operation settings integrated into one simple-to-use dial.

Economy Mode

Automatically adjusts engine speed to save fuel and reduce sound emissions.

USB Ports

Charge mobile devices including smartphones and tablets.

Parallel-Ready Capability

Allows for the connection of two inverter generators for twice the power (3000W and above). (Parallel kit sold separately.)

Generator Status Lights

Visual alerts when the unit is low on oil, overloaded, or ready to use.
