Product Description

Husqvarna 330LK String Trimmer

Carve a path through the toughest chores with the Husqvarna 330LK. This string trimmer delivers a 30% easier pull for Effortless Starting™ with our spring-assisted starting system.* Cut 30% more in less time** with the 20 in. cutting path or adjust to 18 in. for max power in thicker vegetation. The attachment-capable design with detachable shaft and wide variety of additional tools and attachments turns this trimmer into a multi-purpose machine. And LowVib® technology and our high-capacity RapidReplace™ trimmer head make this trimmer easy and comfortable to use, no matter the task.
