### Product Description

## Goldens' Small Gas Ready Fire Pit

**Enjoy the benefits of a warm, cozy fire without all the smoke!** Goldens' Cast Iron now offers a new GAS-compatible syrup kettle fire pit! It is pre-cast with a 12" hole in the bottom center to allow for a gas line and control panel. **Cannot be used as syrup kettle.** We also offer a regulation GAS-compatible laser-cut fire pit stand that will allow you to install your gas control panel for easy access. Glass, burner, and tank sold separately. **Made in the USA!**
